ABOUT ME

Hello, I am Mehmet Öztoprak. I have been interested in computers and technology since I was 10 years old. I studied web design in high school and developed various projects with Arduino and Android Studio.

Afterwards, I focused on graphic design and video editing, and received training in these areas. Currently, I am working in the field of graphic design and video editing.

WORK HISTORY

FREELANCER

All freelance companies - Turkey - 2019 - Contiunes

- I have taken on freelance jobs related to graphic design and video editing. In graphic design, I have created packaging, posters, social media banner images, as well as social media post and story designs. In video editing, I have produced content in categories such as news, vlogs, real estate, education, and entertainment.

VIDEO EDITOR

Emre Yücelen Singing Lessons Youtube Channel - Turkey - 2022-2023

- I worked as responsible for short clips and shorts videos on Emre Yücelen's Singing Lesson channel. I edited old recorded videos and turned them into youtube shorts video, then shared them.

INTERN

Çağ Computer and Security Systems - Samsun/Turkey - 2018-2019

- Computer hardware repair and maintenance, software sales and support, data recovery, peripheral hardware repair and support, security system maintenance and installation, security support for public and private companies, network system installation.
